

President's Message

A new school year and Autumn is nearing...things have changed and yet are the same. As a Community Association, for the 2010 – 2011 year, we are facing a desperate time.

Volunteers make up the entirety of the executive and in the last few years, we have seen people step down with no one new to replace them. This has meant that the few people left on the executive have tried to take on the duties of the critical vacancies. This leads to volunteer burn out and more people stepping down.

We are now at a point where the Community Association does **NOT** have enough volunteers for the critical roles. There have been phone inquiries and interest about helping, and I thank those few who called. The plea remains to the members of Pacific Heights, are **YOU** willing to step up and help build up the Association while we still have good executive members to train and mentor you?

Folks, we are at that desperate time. If we lack people willing to volunteer for the key vacancies I am forced to make the motion to suspend Association activities for 2010—2011 at the October 12th Annual General Meeting (AGM) held at 7:30pm at the Lester B. Pearson School Library. This is a reality not a threat.

Please do not expect someone else to volunteer when you know you can. Call an Executive member or me and let us know you are interested before the October AGM. We need as many people as possible to come to the AGM, get their membership card and voice themselves.

Together, anything is possible.

Victor Marsollier
