## Fun Night 2008

### Windy, Chilly, but Still Fun!!

The Pacific Heights Community Association's annual Fun Night came in the midst of wind and rain, but those who made it out had a great time despite the weather.

Please congratulate the following students on their raffle ticket sales.

**From Father Vachon School:**

- Tashina Pechawis - 35 books sold
- Stuart & Dylan Vinish - 12 books sold

**From Lester B. Pearson School:**

- Trevor McCaw - 40 books sold
- Richard Koch - 25 books sold

Matthew Wolfe from Lester B. Pearson School was the winner of the random draw for a \$50.00 Gift Card from Wal-Mart.

Raffle Prize winners were as follows:

- 1<sup>st</sup> Place (\$300 Safeway Gift Card) - McKayla Quayle
- 2<sup>nd</sup> Place (\$250 Wal-Mart Gift Card) - Antoine Akoulov

The closest guess on the Jelly Bean jar came from Rebecca Lee of St. Gerard School.

We had great support, as always, from the business community. Please take time to stop by these merchants/organizations to say thanks for helping us to make Fun Night successful:

SaskEnergy	SaskPower	SaskTel	BathFitters
North Ridge Renovations	Homer's Pizza	Yellowhead Pizza	KFC
Safeway	Bank of Montreal	Avon (R. Dowling)	Orange Computers

Your donations of items for the bake sale, the time you spent volunteering at the various game booths, etc., and your support of the students who sold raffle tickets all contributed to this event. Each year, we have a fantastic turnout of volunteers who make Fun Night happen. Most of these volunteers are parents or teachers of the children who attend the event, but some volunteers come from outside the school connections. We want to thank each one of you for your investment of time. We look forward to working with you again next year and hopefully for many years to come.

## INDOOR PROGRAMS

The Winter and Fall programs were well attended. Many thanks to those who participated.

The Fall session will see some of the same programs, but due to instructor schedules and space rentals, days and time must change. Please look at the list below to know what has changed. Fun with Arts and Crafts will take a break for 2008-09 but will return for the 2009-10 seasons.

The goal is to focus our programs on Tuesdays to Thursdays to avoid long weekend conflicts. As for Co-op programs provided by our sister associations, these will be determined by their schedules. Both Lydia and I will try to firm up the programs before September.

Please have an active and safe Summer. We hope to see you at the registration nights in September!

the boys and girls of Saskatoon set out on a fun and exciting adventure! They explored the outdoor pools, made a furry friend at the Zoo, laughed the days away in playground programs, and cooled down under the splash of spray parks.

You can be part of this exciting story! Watch for the 'Once Upon A Summer' activity booklet distributed in kindergarten through grade five classrooms this June. This fun and interactive booklet will engage your child while they learn new and interesting facts about the city they live in and the world around them.

For more information about this great summer adventure or to download additional copies, visit [www.saskatoon.ca](http://www.saskatoon.ca) (look under 'L' for Leisure).
