PRESIDENTS MESSAGE

It is mid-May and the beginning of Soccer and Softball. May also means spring cleaning is in full force. Time to have a garage sale to deal with the displaced items from the purging.

May sports...There is a vested interest beyond trying to organize this years sign-up and subsequent registration of teams. Some of the standing members of the executive and the volunteers have children in these sports.

It is never too early to get your child involved in physical fitness and organized sports. Children are provided a chance to burn off extra energy, learn fair play, learn new skills and make friends along the way... As a parent, I end up having a tuckered out child that will gladly go to bed on time.

Thank you to Tammy Melchkart for organizing the soccer sign-up as well as handing out the equipment to the coaches. This will be Tammy's final year organizing the soccer program and we do not have a softball coordinator, so the community will need a couple of parents from the community to step up and continue our progress. Please consider contacting the executive and volunteering.

Then there is "Capitalism Meets Recycling" in our annual Pacific Heights Community Garage Sale. This year it is scheduled for Saturday May 30th. By trying to have your sale on that day or weekend, each of you gets the exposure for a larger buying group. To many potential buyers, it is more practical to be able to park and walk to each sale or at least keep it in a focused area like a Community such as ours. It is also a time for neighbors to socialize a bit.

Thank you to Liz Nahorney for setting up the signage and advertising. Ready, set, start pricing...plan your weekend and good fortunes to you all.

Please have a safe Spring and Summer and we will see you at our next meeting...

Victor Marsollier

* * PHCA GARAGE SALE - May 30, 2009 * *

The Pacific Heights Community Association invite all to join in our Community Garage Sale to be held on Saturday, May the 30th. If you are interested in joining us, please contact Liz @ 651-6108 so that we will be able to mark all streets participating with balloons. This hopefully will make it easier for potential shoppers to identify where to go.

We are sorry for the short notice of this event, and we hope to keep the last Saturday of May in the years to come as a standing date for this event. To give your opinion on this issue, please contact me either by phone or email!

Thank You!
