

## President's Message

Well spring is around the corner. No! Really it is! With spring comes house & yard cleaning, soccer, and the return of fun night.

Soccer has grown in popularity in Canada since the mid nineties and is now one of the most heavily played sports year round. This spring soccer signup is planned for three evenings to allow for more opportunities to enter your child to play this outdoor season. Thank you to the volunteers who found the time to help with the signup nights.

Good news, Fun Night returns this spring on a new night, Friday, May 7th! We hope that this later date provides a warmer, and cross your fingers, dryer evening to enjoy skill games, baked goods, bouncers and entertainment. If you can lend an hour or two with food services, manning games, or simply helping with setup, it will be greatly appreciated.

Finally, spring cleaning tends to result in garage sale season! This year we are hoping to plan for another in June or July. For more information, check our web-page or watch for the billboard.

Have a good spring folks!

Victor Marsollier

## ADULT VOLLEYBALL

**Monday Evenings**  
beginning March 22, 2010  
(will run until the end of May)

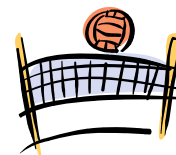

**8:30pm—10:00pm**

**Father Vachon School Gym**

## Fun Night Returns-Friday, May 7, 2010!

After a one-year absence, the Pacific Heights Community Association Fun Night will return on **Friday, May 7, 2010**. As in previous years, Fun Night will include games of skill and chance, bouncers, concessions, bingo, bake sale, the incredible balloon man, a prize room, concessions, and perhaps some surprise characters wandering around to entertain you.

A raffle with prizes including gift cards from WalMart, Safeway and Canadian Tire is being set up. Tickets will be distributed to students at Lester B Pearson and Father Vachon schools, and the draw will be made a few days before Fun Night.

We plan to create an enjoyable evening for families in the Pacific Heights neighbourhood, and we need your help and input to make it happen. Parents and interested community members will be invited to share a bit of their time on Fun Night to help us with the various games and activities. If you'd like to be involved ahead of time, we will also need folks to help with planning and setting up the various activities. **Please contact Irene at 382-9101 for more information about how you can be part of Fun Night.**

## Kindergarten & PreKindergarten Registration Information

**Lester B. Pearson School**  
3620 Centennial Drive  
683-7350

Reserve your space for 2010-2011 Kindergarten by registering now. The choice for a.m. or p.m. kindergarten is based on a first come, first served basis (as long as we have a minimum of 24 students registered). Your child must be 5 by January 31, 2011. The form is available online or by visiting the office.

If you are interested in PreKindergarten, please apply now for the 2010-2011 school year. There are 16 spaces that are for 3 and 4 year olds (if they are toilet trained). Priority is given to children who live in our area.

### FATHER VACHON SCHOOL

Thinking about Kindergarten for next fall? It's time to register for **Kindergarten at Father Vachon School!** At our school your child will experience faith, learning and a sense of belonging. We help all students strive for academic excellence and we also help them learn about themselves. Our distinctive faith-based education shows young people they have what it takes to reach out and make a difference in the world. If your child will be five years old by January 31st, 2011, he or she can begin Kindergarten in September, 2010. Please call the school at 659- 7210 for more information about our school and how to register. To learn more about Greater Saskatoon Catholic Schools and our programs, check out [www.gscs.sk.ca](http://www.gscs.sk.ca).

**If you know of people in the neighbourhood who will have a kindergarten age child next year, please let them know of this event.**

**PRE-KINDERGARTEN APPLICATION** – Father Vachon School offers a **Pre-Kindergarten** program for three and four year olds. We are now accepting applications for the 2010-2011 school year. Space is limited. Certain guidelines as set by Sask Learning are followed in selecting applicants. Children must reside in the area. Children with the greatest needs are given priority. Children should be Catholic. Children who have siblings already attending this school are also given priority. There is no fee for this program; however families are expected to be actively involved. Application forms are available at the front office.
