

President's Message

Well summer is almost upon us and it's time to get ready for camping, fishing and all of the other summer activities that we are used to. Summer also means putting certain things on the back burner. As well, this is a good time to reflect on the last nine months within the Community.

One of the points to reflect on is Fun Night. Wow...this time no rain! It was a nice night and the kids seemed to have a fun time. A special thanks to Irene Schwalm and Liz Nahorney for coordinating and planning the evening. Thanks to the Executive, Father Vachon & Lester B. Pearson teachers, parents and student volunteers for helping make this a great evening. We also appreciate Myrna Huzan and Stacey Huzan-Aalen for arranging and coordinating the prize room.

During the next two months, I am requesting the residents of Pacific Heights to step up and volunteer to fill several positions in the Association. Currently, several people on the board are covering two or three positions and this can cause for burn out. In my case, I had taken on the roll of four positions and am also coaching soccer. With that I found that I must step back from two of my positions. One of those positions is Indoor Programs Coordinator. Folks, this is quite serious. If new people do not begin to volunteer, the activities that you and/or your family enjoy will stop being available. We all understand that people cherish their time, but if you are willing to get involved, please call me or someone on the executive.

I leave you with this somber thought, during the summer months blood donations drop off because we end up getting busy with our own lives. Please spare an hour and give one of the most precious things you can give to anyone. Please consider donating blood. Call 1-888-2DONATE (1-888-236-6283).

Have a safe summer,

Victor Marsollier

PHCA Fall Indoor Programs

Fun Night 2010

The sun finally smiled on May 7 as we prepped for Fun Night, meaning that our plan to have the bounce house outside went ahead and our chefs did not get rained upon. What a relief!

We scaled back our presence at Lester B. Pearson this year and put our games and concession into the small gym. This made cleanup simpler, but did create a bit of crowding, especially as the Plinko game was so popular. Over at Father Vachon, the elves were busy labeling and sorting all of the lovely goodies that were donated for the bake sale - there are some incredibly talented and generous bakers in our community! Thank you so much for your contributions. The prize room stayed open until well after 8:30 so that all the kids had time to spend their hard-earned tokens. The elves in that room deserve some special mention, as it was crowded and a scene of mayhem throughout the night, yet they were still smiling at the end.

Fun Night would not happen without the time and effort contributed by many parents, teachers and school staff - along with the volunteers from the Community Association. Thank you to each one who took time out of your own busy lives to put in an hour or two (or more!) to make this event possible. Some of you certainly went way above and beyond as you helped to set up, clean up, filled vacant spots and pitched in on short notice. Your help was so very much appreciated!

For those who came to Fun Night but were not scheduled to work one of the stations - please keep your eyes open for opportunities to be involved in future events. Each person's help - even just for one hour - lightens the load for everyone else. The Pacific Heights Community belongs to all of us, not just those who are involved with the Association or the Parent Councils or other formal groups. We'd love to get to know you and work beside you!

Children from both schools sold a great number of tickets on our always-popular raffle. Here are the results of the draws.
